Z. Mahmood

With regards to Mr. Zaneyar Moradee (father's name, Eghbal) and Mr. Loghmun Moradee (father's name, Osmun), the High Council for Human Rights -- affiliated to the judiciary of the Islamic Republic of Iran -- has approached all pertinent judicial authorities and courts.

According to information received from Tehran's department of justice, Mr. Zaneyar Moradee and Mr. Loghmun Moradee -- both of whom have prior criminal records -- were charged with acting against national security by engaging in *Moharebeh* and participating in the assassination of three individuals by the names of Sadee Shirazi-Manesh, Abdullah Kohnepoosh and Hadi Sherazi. They were also charged with smuggling a Kalashnikov assault rifle from Iraq and affiliation to Komole Terror group. As such the above individuals were arrested on 4 August 2010 on a temporary writ. The two were later brought before branch 15 of Tehran's Court of Revolution. After hearing Mr. Zaneyar Moradee and Mr. Loghmun Moradee's defense and that of their attorney and the completion of all relevant legal procedures, by virtue of articles 183, 186, 189, 190 and 191 of the Islamic Penal Code, the court through its verdict 1695 dated 25 December 2010, found the defendants guilty and sentenced them to be executed at the site of the above mentioned assassinations -- in the city of Maryvan. The court's initial verdict is open to appeal.

With regards to Mr. Habebollah Gholpari-poor (father's name Naser), the High Council for Human Rights -- affiliated to the judiciary of the Islamic Republic of Iran -- has approached all pertinent judicial authorities and courts.

According to information received from Western Azerbaijan's department of justice, Mr. Gholpari-poor was charged with *Moharebeh* and *efsad-fel-Arz* (corruption on earth) through membership and active collaboration with Pejak terrorist group. As such Mr. Gholpari-poor was brought before branch 1 of Mahabad Court of Revolution. After hearing Mr. Gholpari-poor's defense and the completion of all relevant legal procedures, by virtue of article 186 and 190 of the Islamic Penal Code, the court found Mr. Gholpari-poor guilty and sentenced him to death.

The court's initial verdict was appealed by the condemned and his attorneys (Mr. Khalil Bahrameyan and Mr. Seyed Ehsan Mojtাবেe). As a result, branch 31 of the Supreme Court reexamined the verdict. However, the Court, through its verdict No. 31/254 dated 1 August 2010, rejected Mr. Gholpari-poor's appeal.

It is worth mentioning that Mr. Gholpari-poor's case was also referred to the judiciary's central clemency commission. However because the case failed to meet the commission's clemency requirements, it was rejected. At the moment, since the Chief of the judiciary is yet to endorse the verdict, the execution of the sentence is pending.
