Geneva, 3rd March 2015

Dear Mr. Ghezraoui,

In reference to your facsimile ref. AL KWT 1/2015 dated 25 February 2015 in which you have forwarded a Joint Communication requesting a number of information and clarifications, I would like to inform you that, due to the co-occurrence of the mentioned letter with the festivities of the National Day and Liberation Day of the State of Kuwait on the occasion of which, all offices and authorities are closed for several days; considering also that the request has been addressed in English, whereas the official working language in the governmental entities in the State of Kuwait is Arabic, and consequently, requires a translation of any communication on their part.

I would kindly like to request an extension of the deadline set to submit the requested responses, to its possible maximum limit, in accordance with the prevailing regulations.

However, be assured that, in case the Permanent Mission receives the awaited responses from the competent authorities in Kuwait before the set time limit, we will immediately forward them to your attention.

Please accept, Dear Mr. Ghezraoui, the assurances of my highest consideration.
