

Geneva, 9 March 2018

Ref. 413/6/3/1/ 100286

The Permanent Mission of the Kingdom of Saudi Arabia to the United Nations Office and other International Organizations in Geneva presents its compliments to the Special Reporter on the human rights to safe drinking water and sanitation, at the Office of the High Commissioner for Human Rights, and with reference to her letter addressed to His Excellency Mr Adel AL-JUBEIR, Minister of Foreign Affairs, on 6 March 2018 (ref. AL SAU 3/2018), regarding the situation in the Kamaran island of the Republic of Yemen.

The Permanent Mission of Saudi Arabia wishes to inform that the letter addressed to H.E. the Minister of Foreign Affairs, should have been sent to the Coalition Forces Command or to the Government of Yemen.

The Permanent Mission would like to point out that the Government of the Kingdom of Saudi Arabia would not accept to deal with any issues or claims that are under the responsibility of both the Coalitions Forces operating in Yemen and Yemeni authorities. Therefore, such matters should be addressed to the Coalition Forces Command or to the Government of Yemen.

The Permanent Mission of Saudi Arabia avails itself to this opportunity to renew to the Special Reporter on the human rights to safe drinking water and sanitation the assurances of its highest consideration.
