The Permanent Mission of the Kingdom of Saudi Arabia to the United Nations Office and other International Organizations at Geneva presents its compliments to the Office of the Special Procedures Branch (OHCHR), and has the honor to refer to the joint communication from special procedures dated 26 January 2021.

The Permanent Mission of the Kingdom of Saudi Arabia has the honor to affirm that the Kingdom of Saudi Arabia is keen to continue cooperation and respond to the inquiry it receives from the human rights bodies and mechanisms of the United Nations.

Due to the lack of specific names or facts related to Saudi citizens in Al-Hol and Roj camps, it is unclear why this allegation was transmitted to the Kingdom of Saudi Arabia; moreover, the vast majority of the questions do not concern the Kingdom. To respond, The Permanent Mission requests to provide it with specific information regarding Saudi citizens in the camps as it mentioned in the letter.

The Permanent Mission of the Kingdom of Saudi Arabia to the United Nations Office and other International Organizations at Geneva avails itself of this opportunity to renew to the Office of the Special Procedures Branch (OHCHR), the assurances of its highest consideration.
