In addition to the information sent previously, the Russian Federation has the honour to report that the procuratorial authorities have carried out an exhaustive verification of the actions of the law enforcement officers in relation to the activists of the Marem volunteer group, M. Kilyaskhanova and S. Amirova (Anokhina).

As a result, on 12 August 2021 the procurator of the Leninsky District of the city of Makhachkala submitted to the chief of the police department of the Department of the Ministry of Internal Affairs for the city of Makhachkala, Dagestan responsible for the Leninsky District, a recommendation to take corrective action against violations of the legislation on administrative offences. The police officers were informed of the need to strengthen compliance standards and observance of the requirements of the Code of Administrative Offences of the Russian Federation. Disciplinary action will be taken against the guilty officers.

At the same time, the procedural decision of the Investigative Committee of the Russian Federation not to institute criminal proceedings on the application of M. Kilyaskhanova and S. Amirova (Anokhina) regarding the unlawful use of physical force and entry into the home by police officers was recognized by the procurator's office as legal and justified.

The decision of Leninsky District Court of Makhachkala of 11 June 2021, about the absence, in the actions of M. Kilyaskhanova and S. Amirova (Anokhina), of corpus delicti of an administrative violation has been upheld by the Supreme Court of the Republic of Dagestan.
