Dear Sirs/Mesdames:

RE: Response to AL OTH 191/2021

It has come to our attention that the United Nations Office of the High Commissioner for Human Rights (“OHCHR”) has posted on its website that it sent a communication to Ebbe Saidi on June 22, 2021 concerning the alleged impacts of the development of an airport on the population of Barbuda (Ref. No. OTH 191/2021). See <https://spcommreports.ohchr.org/TmSearch/RelCom?code=ATG%201/2021>.

We write to inform the OHCHR that the Bahamas Hot Mix Company, Ltd. has not been involved with the airport project in Barbuda in any capacity ever.

BHM International Group has not been involved with the airport project in Barbuda in any capacity since 2019, and thus, cannot provide any comment or response to your letter either.

We respectfully suggest that you contact the Government of Antigua and Barbuda if you want information concerning the Barbuda airport project. We understand that they are the correct entity to speak with and that they would have the information you seek.

Thank you for your time and attention to this matter.

Yours Faithfully

Ebbe Saidi
