

PERMANENT MISSION OF THE REPUBLIC OF TÜRKİYE
TO THE UNITED NATIONS OFFICE IN GENEVA

Z-2022/62441669/35177917 -

The Permanent Mission of the Republic of Türkiye to the United Nations Office in Geneva and other International Organizations in Switzerland presents its compliments to the Office of the High Commissioner for Human Rights and with reference to the Joint Communication from Special Procedures dated 21 September 2022 (AL TUR 8/2022), has the honour to present the reply of the Government of the Republic of Türkiye hereinbelow.

The Government believes that hasty press releases by Special Procedures mandate holders on matters that are already subject of a communication without receiving the response of the concerned State on the issue, hence without giving the concerned State the opportunity of responding, is neither useful nor helpful for pursuing a constructive dialogue as well as cooperation for the promotion of human rights.

Such an approach damages the sense of dialogue that the Special Procedures mandate holders are to engage in with Governments through the communications before resorting to a press release, as stated in the Manual of Operations of the Special Procedures of the Human Rights Council.

It is also not in line with the principles of objectivity, impartiality, non-selectivity, reciprocal constructive dialogue and cooperation as framed by core documents, namely, institution building of the UN Human Rights Council (Resolution 5/1), and the Code of Conduct for Special Procedures Mandate Holders of the Council (Resolution 5/2).

Türkiye regrettfully reminds that Special Rapporteur Lawlor had resorted to issuing a press release on 20 May 2021 regarding the communication AL TUR 9/2021 before waiting for the response of the Government.

The Government, despite its dismay, provided its reply within the 60-day period. Special Rapporteur Mary Lawlor, yet again, resorted to such a hasty press release on 31 October 2022 without waiting for the reply of the Government on the communication AL TUR 8/2022. The Government observes that the Special Rapporteur displayed a prejudging attitude on the issue without hearing the observations of the Government and reached a unilateral conclusion.

The Government believes that such an approach is neither useful for constructive dialogue and protection of human rights nor in line with the Code of Conduct for Special Procedures Mandate Holders of the Council. Rendering opinions without hearing the concerned State makes the communication process dysfunctional. For these reasons, the Government has decided to refrain from providing further information on the communication AL TUR 8/2022.

The Permanent Mission of the Republic of Türkiye avails itself of this opportunity to renew to the Office of the High Commissioner for Human Rights the assurances of its highest consideration.
