

Ministry of Agriculture – Government of Guyana’s support to rebuild and develop infrastructure in predominantly Afro-Guyanese communities.

MINISTRY OF AGRICULTURE – Gov’t Support to rebuild and develop infrastructure	
ITHACA	<ol style="list-style-type: none"> 1. NDIA assisted with land clearing 2. NDIA established a main drainage channel 3. NAREI/GLDA provided training and technical assistance as well as seeds, chemicals, tools and other forms of assistance to farmers
MOCHA	<p>NDIA</p> <ol style="list-style-type: none"> 1. NDIA Excavator assisting with land preparation for Rural Agriculture Infrastructure Development Project under the Agriculture Sector Development Unit (ASDU). 2. Mini excavator rehabilitating four-foot drains in Barnwell North and another excavator executing drainage works within the Mocha/ Arcadia Village 3. Contractor rehabilitated the CNC from Diamond to Mocha 4. Drainage channels within Block B and Junior to Little Diamond rehabilitated <p>GMC</p> <ol style="list-style-type: none"> 1. Training on Packaging and Labeling requirements to penetrate market easier. <p>NAREI:</p> <p>Mocha Multi-Purpose Co-op benefited from 10 lts abamectin, 50 packs Acoushi ants’ bait, 1 shade plastic, 1 shade net, 30 packs of vegetable seeds (July 2021 - August 2022)</p>
NABACLIS	<ol style="list-style-type: none"> 1. Cove & John/Nabaclis Drainage Pump - Budgeted for 2023 2. Bridge at Nabaclis (Joining village to backdam) - budgeted for 2023 3. 2 kokers at crown dam - Nabaclis and Golden Grove 4. Farm to market access road - Nabaclis and Victoria - Budgeted for 2023 5. Continuation of the land clearing exercise - NDIA assisting

VICTORIA	<p>1. Mechanically clean the East Side line, Middle walk and West Side line channels. (6000 rods) 2. Clean both the Crown Dam Channel (200 rods) 3. clean the four-foot channel (2000 rods)</p> <p>NAREI: Victoria Northbrook Farmers Group benefitted with distributions of 60 lts. of abamectin (pesticides), 70 packs vegetable seeds, 200 packs Acoushi ants bait, 200 packs rat bait and 70 (10kg) bags fertilizers, clearing of the irrigation canal and the two side line drainage canals.</p>
BELLADRUM (Trafalgar)	<p>Installation of 200 cusec pump at Trafalgar Pump Station</p>
WEST WATOOKA	<p>NDIA 1. Construction of Drainage and Irrigation Structures West Watooka Linden 2. Construction of Conservancy Dams and Rehabilitation of Drainage and Irrigation Channels west Watooka Linden</p> <p>GMC: Retrofitting of Agro-processing facility</p> <p>NAREI: 1. Farm-to-Market Road Constructed by the Regional Democratic Council Agricultural Department. (Continued rehabilitation and construction are budgeted for 2023) 2. Construction of three shade houses 3. Donation of agricultural inputs to farmers and farming groups (fertilizers, planting materials, etc.,) 4. Distribution of Acousti Ant Bait and Bump pumps to farmers 5. Distribution of Floor Relief and Cash Grant to farmers 6. Donation of Shade material to a farmer for repairs to shadehouse 7. Maintenance of drainage and irrigation canal with the assistance of NDAI and CDC</p> <p>GLDA - Ambulatory Services and continuous donation of Veterinary Drugs and Medical supplies including boosters and vitamins supplies</p>
BAMIA	<p>NDIA: NDIA assisted with land clearing so that farmers can start cultivating</p> <p>NAREI: 1. Donation of agricultural inputs to farmers and farming groups (fertilizers, planting materials, etc.,) 2. Distribution of Acousti Ant Bait and Bump pumps to farmers 3. Donation of Shade material to a farmer for repairs to shade house to the CDC 4. Continuation of the land clearing exercise - NDIA assisting</p>

	<p>GLDA Ambulatory Services and continuous donation of Veterinary Drugs and Medical supplies including boosters and vitamins supplies</p>
COOMAKA	<p>NDIA Erosion control and excavation works</p> <p>GMC:</p> <ol style="list-style-type: none"> 1. to identify the qualitative and quantitative factors of losses in all stages and identify technological advancement 2. Agro-Processing – Food & Drug Requirements, Packaging & Labeling. 3. How to make Pepper Sauce and Green Seasoning.
NOTTINGHAMSHIRE	Excavation works executed for the rehabilitation of the drainage channel
MANCHESTER	<p>NDIA: Excavated drainage and irrigation channels and repair dams</p> <p>NAREI: A farmer's group Lan-Live-Man received the following assistance from NAREI on 09/03/2022: 364 Mixed Plants such as 156 White lady Guava, 52 West Indian Lime, 52 Sijan, 52 Jackfruit and 52 West Indian Cherry. Along with 230 packs of Vegetable Seedling, Farm tools and Insecticides</p>
DEN AMSTEL	<ol style="list-style-type: none"> 1. Construction of Pump Station 2 Major clearing or canals etc in the farmlands 3. Handing over of two tillers to farmers' group

BARACARA	<p>The following assistance was granted to Canje Creek- Baracara Farmers. Kindly see the details below:</p> <ul style="list-style-type: none"> · Limestone – 25 Bags · Cutlass - 25 · Fertilizers – 25 Bags – 12:12:17:2, 15:15:15, Urea, MOP · Vegetable seeds · Shovel - 25 · Vegetable seedlings · Fork - · 51 cash grants of \$50,000.00 each <ul style="list-style-type: none"> - 2 Bulls delivered on 18th Aug, 2022. - 368 Black Giant chicks delivered on 18th Aug. 2022. - Payments were made. 48 farmers paid G\$3.7 million for flood relief. - NAREI officers revisited and took bait <p>Rehabilitation of D&I network in Baracara - \$98M Land Clearing and empoldering of Savannah and installation of tubes. Excavation of Drainage Channel into Canje Creek - \$75</p>
PLAISANCE	<p>NDIA: NDIA assisted with land preparation and rehabilitation of drains</p> <p>NAREI:</p> <ol style="list-style-type: none"> 1. Shade house handed over to the Church group 2. Farming equipments, Shade house and brush cutter handed over to the Church group
BARTICA	<ol style="list-style-type: none"> 1. Changed timber sluice gate to stainless steel 2. Construction of a culvert and sea defense structure at First Avenue. 3. Maintenance and continue operation of mobile pump for effective drainage Fourth Avenue
SEAFIELD	<p>NDIA: Repairs to dam for farmers to transport paddy</p> <p>NAREI: Farmers Group revamp 2022, 70 bags distribution of Fertilizers, Vegetable Seeds, and insecticides</p>

<p>BUXTON/FRIENDSHIP</p>	<p>NDIA NDIA assisted with land clearing for the increase in renewed cultivation</p> <p>GMC: Training was done on: 1. Strategies for market penetration 2. Record Keeping 3. Agro-processing methods</p> <p>NAREI: Farmers group benefitted with distribution of 80 bags (10kg) Fertilizers (12:12:17:2), 60 packs of vegetable seeds, 100 packs of ants bait, 100 packs of rat bait and 48 lts of abamectin (pesticides). July 2021</p> <p>Handed over Land Tiller, Weeding Machine, Fertilizer and tools to farmers group – Approximately \$700,000.00</p>
<p>GOLDEN GROVE</p>	<p>NDIA: Manual Maintenance of drainage channels</p> <p>NAREI Revitalization and development of the crop farms in President’s College through agricultural programs to be mandated for the school . This intervention is currently in progress. Students and staff benefitted from technical training in basic crop production practices and demonstration of soil sampling. Three bags of limestone were also given to aid in development of the school farmlands.</p>
<p>FOULIS</p>	<p>NDIA Maintenance of drainage channel in residential area.</p> <p>GMC Training was done on: 1. Strategies for market penetration 2. Record Keeping 3. Agro-processing methods</p> <p>NAREI:</p>

	<p>Formation of the Enmore/Foulis Farmers Group (Feb, 2022) Farmers group benefitted with distribution of 40 (10kg) bags Fertilizers (12:12:17:2), 24 lts abamectin, 60 packs acoushi ants bait, 100 packs rat baits and 40 packs of vegetable seeds. April 2021</p>
UNION	Desilt outfall channel
CLONBROOK	<ol style="list-style-type: none"> 1. East Dam cleared/debush 2. Mechanically clean the West Side Line 3. Contractor clean the South Façade
ANNS GROVE	<ol style="list-style-type: none"> 1. Manual Maintenance in Residential and Farming area 2. Works ongoing on the West Side Line 3. Works will continue on the Middle Walk Channel <p>NAREI: Clonbrook Farmers Group benefitted with distributions of 40 bags of (10kg) bags of fertilizers, 56 lts of abamectin, 70 packs of vegetable seeds 100 banana saplings, 18 lts of nutrsoil, 12 lts of Saeta and 40 packs vegetable seeds August 2021 - July 2022</p>
SOUTH RUIIMVELDT	Rehabilitation of Ruimveldt South Sluice Design for upgrade of Georgetown Drainage System & Infrastructure Phase 1 North Road Concrete Drain
LOCHABER (EBB)	<p>NDIA: Excavated drainage channel and repairs to dams</p> <p>NAREI: 2021 Agriculture Month- Farmers benefitted from distribution of free Coconut Plants, Fruits and Vegetable Seedlings From NAREI</p>
KOORDARBART (EBB)	<p>NDIA: Mechanically excavated the middle walk and 2 drainage channels</p> <p>NAREI: 2021 Agriculture Month- Farmers benefitted from distribution of free Coconut Plants, Fruits and Vegetable Seedlings From NAREI, Also in the Month of August 2022 -3 farmers benefitted from Vegetable Seedlings (Mr. Richard Barron, Mr. Junior Fraser and Ms. Hazel Brown)</p>

PERTH (MAHAICONY)	Lot 1 - Excavation of Drainage and Irrigation Channels Phase 1 at Perth
ONVERWAGT	<p>NDIA: Construction of Onverwagt Access Road extension</p> <p>GMC: Training was done on: 1.Processing of Ginger & Turmeric (fresh to powder). 2. Training on Packaging and Labeling requirements to penetrate market easier</p>
GREENFIELD/BELFIELD	Supply two Engines for Pump Stations
BARNWELL/GREENWICH PARK	Construction of Pump Station
FRIENDS (EBB)	2021 Agriculture Month- Farmers benefitted from distribution of free Coconut Plants, Fruits and Vegetable Seedlings From NAREI

EXAMPLES/DETAILS OF MAJOR WORKS (REGIONAL):

Description of Works	Region/Area	Cost
Construction of Pump Station at Charity	Essequibo Coast, Region No. 2	188,467,061
Rehabilitation of Pump Station at Cozier	Essequibo Coast, Region No. 2	80,000,000
Rehabilitation of Drainage Structure at Dartmouth	Essequibo Coast, Region no. 2	12,464,820
Construction of Pump Station	Den Amstel, West Coast Demerara - 3	11,492,553
Construction of Pump Station	Greenwich Park/Barnwell Area, EBE -	185,000,000
Design & Supervision of Pump Station	Greenwich Park/Barnwell Area, EBE - 3	12,745,200
Construction of sluice	Little Diamond, EBD	4,519,341
Drainage and Irrigation Works at Good Intent	WBD, Region No. 3	30,858,480
Rehabilitation of Alliance Bridge Timehri	Alliance, EBD	13,784,720
Rehabilitation of Ruimveldt South Sluice	Ruimveldt, Georgetown	2,659,063
Rehabilitation of Drainage Culvert in Diamond	EBD, Region No, 4	15,480,486
Installation of 200 cusec pump at Trafalgar Pump Station	West Coast Berbice, Region No. 5	36,407,618
Design and supervision of Drainage Pump Station - LOT 2	Cottage, West Coast Berbice	11,750,520
Construction of Onverwagt Access Road extension	Onverwagt, West Berbice	108,266,548
Rehabilitation of Union Sluice	Mahaica Mahaicony Abary	20,312,452
Construction of Pump Station	Cottage, West Coast Berbice	250,000,000

Construction of all-weather road at Albion/Hoggtown fisheries complex-Lot 1	Albion/Chesney/Hoggtown	13,900,000
Construction of all-weather road at Albion/Hoggtown fisheries complex-Lot 2	Albion/Chesney/Hoggtown	13,890,000
Lot 1: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice	Region No, 6	12,852,000
Lot 2: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice - Mechanical Excavation of Enfield East & West Sideline Channels	Region No, 6	12,330,000
Lot 3: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice -	Region No, 6	13,212,000
Lot 4: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice -	Region No, 6	12,861,000
Lot 5: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice -	Region No, 6	13,127,850
Lot 6: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice - Mechanical Excavation of outfall and Drainage Channel at Essen Dam (Kiwa)	Region No, 6	19,166,000
Lot 7: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice - Mechanical Excavation of outfall and Drainage Channel at Vryburg	Region No, 6	19,166,000
Lot 8: Rehabilitation of Drainage and Irrigation Network, East Bank Berbice - Mechanical Excavation of outfall and Drainage Channel at Mata (Big Tree Channel)	Region No, 6	19,166,000
Rehabilitation of Drainage Culverts at Bartica	Region No, 7	20,000,000

Construction of Conservancy Dams and Rehabilitation of Drainage and Irrigation Channels	West Watooka, Linden	8,000,000
Construction of Drainage & Irrigation Structures	West Watooka, Linden	10,000,000
Provision for Enterprise and Agriculture Development Initiatives- construction of Road, Tacama	Region No. 10	61,410,987
Agriculture Development Initiatives- Extension of the construction of Road, Tacama	Region No. 10	217,114,200
Construction of Laterite Pit Access Road in Ituni/Tacama, Region No. 10	Region No. 10	49,340,200
TOTAL INVESTMENT		1,499,745,099

Additional Investments and Works – 2021

Lot 1-Mechanical Excavation of Drainage Channel at Vryheid, East Bank Berbice, Region No. 6	Caracas NDC	5,800,000
Lot 2-Excavation of Outfall at Welegen, East Bank Berbice, Region No. 6	Korthbradth NDC	2,300,000
Lot 4-Excavation of Southern Drainage Channel Located at Glastulich, East Bank Berbice, Region No. 6	Korthbradth NDC	2,600,000
Lot 3-Excavation of Northern Drainage Channel Located at Glastulich, East Bank Berbice, Region No. 6	Korthbradth NDC	2,143,500
Lot 5-Mechanical Cleaning of Drainage Channel at Belmont, East Bank Berbice, Region No. 6	Korthbradth NDC	897,000
Lot 6-Mechanical Cleaning of Drainage Channel at Hibery, East Bank Berbice, Region No. 6	Korthbradth NDC	2,200,000
Lot 8-Mechanical Cleaning of Drainage Channel at Mara Trait, East Bank Berbice, Region No. 6	Korthbradth NDC	2,450,000
Excavation of Outfall for the May/June, 2021 rainy season at Joppa, Corentyne, Berbice, Region No. 6	Macedonia NDC	9,987,000
Emergency: Removal of earthen material used to block HDPE Tubes during the flood period (Hogstye to Whim Crown Dam), Corentyne, Berbice, Region No. 6	Hogstye/ Lancaster NDC	500,000

Emergency works: Supply and deliver HDPE tubes for farmers at Bengal, Corentyne, Berbice, Region No.6	Macedonia NDC	1,090,000
ExcaVATION OF Channels at Liverpool	Hogstye/ Lancaster NDC	9,543,300
Repairs to Enfield Main Access Bridge, East Bank Berbice	Korthbradth NDC	1,771,500
		41,282,300

Examples of some works done in 2022:

Emergency: Mechanical Excavation of Liverpool Irrigation Canal	Hogstye/ Lancaster NDC	3,013,400
Emergency: Mechanical Excavation of Eastern Liverpool Drainage Channel	Hogstye/ Lancaster NDC	7,725,050
Emergency: Mechanical Excavation of Eastern Ulverston Drainage Channel	Hogstye/ Lancaster NDC	7,860,700
Emergency: Mechanical Excavation of Whim/ Manchester Drainage Channel	Hogstye/ Lancaster NDC	3,066,980
Emergency: Mechanical Excavation of No.44-45 Drainage Channel	Lot 51- Good Hope NDC	13233180
Emergency: Mechanical Excavation of No.45-46 Drainage Channel	Lot 51- Good Hope NDC	8,720,400
Emergency: Mechanical Excavation of Ulverston Western Drainage Channel	Hogstye/ Lancaster NDC	8,552,700
Emergency: Mechanical Excavation of Manchester Irrigation Canal	Hogstye/ Lancaster NDC	6,909,410
Emergency: Mechanical Excavation of Liverpool Western Drainage Channel	Hogstye/ Lancaster NDC	9,955,140
Emergency: Mechanical Excavation of Fyrish Drainage Channel	Fyrish/ Gibraltar NDC	11,130,600

Emergency: Mechanical Excavation of Liverpool to Adventure facade Drainage Channel	Hogstye/ Lancaster NDC	10,263,600
Emergency: Mechanical Excavation and Dredging of Liverpool Outfall	Hogstye/ Lancaster NDC	8,394,400
Emergency: Mechanical Excavation of Dingwall Drainage Channel	Macedonia NDC	10,000,000
Emergency: Mechanical Excavation of Eversham Cross Drainage Channel	Macedonia NDC	10,000,000
Emergency: Mechanical Excavation of Epsom Drainage Channel	Macedonia NDC	10,000,000
Emergency: Supply and installation of Two HDPE 36" Tubes at No.44 Village	No.51- Good Hope NDC	8,900,000
Emergency: Mechanical Excavation of Whim to Liverpool Facade Drainage Channel	Hogstye/ Lancaster NDC	7,500,000
Mechanical Excavation of Rotterdam Irrigation Channel Region 6	Korthbreadth NDC	12,000,000
Emergency: Provision of Long Reach Excavator for the repairs to Ulverston Main Access Dam (Road to 1st Depth), Corentyne, Berbice, Region No.6	Hogstye/ Lancaster NDC	1,500,000
Emergency: Provision of Long Reach Excavator for the repairs to Auchlyne Main Access Dam, Corentyne, Berbice, Region No.6	Hogstye/ Lancaster NDC	1,500,000
Emergency: Provision of Long Reach Excavator for the repairs to Ulverston Main Access Dam (2nd Depth to 3rd Depth), Corentyne, Berbice, Region No.6	Hogstye/ Lancaster NDC	1,500,000
Emergency: Provision of Long Reach Excavator for the repairs to No.47 Access Dam (Road to 1st Depth), Corentyne, Berbice, Region No.6	No.51- Good Hope NDC	1,500,000
Excavation of Joppa Outfall	Macedonia NDC	12,000,000
Excavation of Eversham Outfall	Macedonia NDC	12,000,000
Emergency: Mechanical excavation of Fyrish Main Drainage Channel, Region 6	Fyrish NDC	9,000,000

Emergency: Mechanical excavation of No.1 Drainage Channel, Region 6	Fyrish NDC	9,000,000
Emergency: Mechanical excavation of Eversham Drainage Channel, Region 6	Macedonia NDC	11,000,000
		216,225,560

Examples of some works done in 2023:

Emergency: Mechanical Cleaning and Excavation of Liverpool Drainage Channel (Western)	Hogstye Lancaster NDC	12,864,000
Emergency: Mechanical Cleaning and Excavation of Liverpool Drainage Channel (Eastern)	Hogstye Lancaster NDC	12,778,500
Emergency: Mechanical Excavation and Dredging of Bengal Outfall	Macedonia NDC	9,950,000
Emergency: Mechanical Excavation and Dredging of No.43 Village Outfall	Macedonia NDC	7,700,000
Emergency: Mechanical Excavation and Dredging of No.51 Village Outfall	No.51- Good Hope NDC	8,701,400
Emergency: Mechanical Excavation of Loida Irrigation Canal, Region No.6	No.51- Good Hope NDC	13,758,500
Emergency: Mechanical Excavation of Manchester Main Drainage Canal.	Hogstye Lancaster NDC	14,982,600
Emergency: Mechanical Excavation of Liverpool Main Drainage Canal.	Hogstye Lancaster NDC	14,001,800
Emergency: Mechanical Excavation and Cleaning of Ulverston Western Drainage Canal.	Hogstye Lancaster NDC	14,960,800
Emergency: Mechanical Excavation and Cleaning of Ulverston Eastern Drainage Canal.	Hogstye Lancaster NDC	14,960,800
Emergency: Mechanical Excavation of Manchester Middle Walk Irrigation Canal	Hogstye Lancaster NDC	7,868,400
Emergency: Mechanical Excavation of Liverpool Middle Walk Irrigation Canal	Hogstye Lancaster NDC	7,784,400

Emergency: Mechanical Excavation to build Liverpool Dam.	Hogstye Lancaster NDC	12,992,000
Emergency Work: Mechanical Excavation of Joppa Outfall, Region No.6	Macedonia NDC	12,330,000
Emergency: Mechanical Cleaning and Excavation of #46/47 Village Drainage Canal.	No.51- Good Hope NDC	13,851,000
Emergency Works: Mechanical Excavation of No.43 Sideline Channel.	No.51- Good Hope NDC	13,900,000
Emergency Works: Mechanical Excavation of Manchester Drainage Channel, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,900,000
Emergency Works: Mechanical Excavation of Ulverston Drainage Channel, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,900,000
Emergency Works: Mechanical Excavation of Alness Sideline, Corentyne, Region, No.6.	Hogstye Lancaster NDC	13,940,000
Emergency Works: Mechanical Excavation of Manchester Irrigation Canal, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,960,000
Emergency Works: Mechanical Excavation of Ulverston Irrigation Canal, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,940,000
Emergency Works: Mechanical Excavation of Salton Irrigation Canal, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,940,000
Emergency Works: Mechanical Excavation of Alness Irrigation Canal, Corentyne, Region No.6.	Hogstye Lancaster NDC	13,940,000
Emergency: Building of Access Dam at #46 Village.	No.51- Good Hope NDC	3,750,000
		\$294,654,200
