CHN/HR/2023/70

The Permanent Mission of the People's Republic of China to the United Nations Office at Geneva and other International Organizations in Switzerland presents its compliments to the Office of the High Commissioner for Human Rights (hereafter referred to as "the OHCHR"), and has the honor to provide comments regarding special procedures joint communication [OL CHN 12/2023] dated 25 July 2023.

The Permanent Mission of China regrets that there are factual errors in the above-mentioned joint communication. With all due respect, special procedures mandate holders' comments on Hong Kong National Security Law as well as the Public Consultation Document and Specific Proposals on the Regulation of Crowdfunding Activities (the "proposal") are apparently biased, constituting interference in China's internal affairs.

The Permanent Mission of China appeals to special procedures mandate holders to perform their duties objectively and impartially, to constructively engage with member states through dialogue, and to refrain from adopting misinformation and one-sided story.

The Permanent Mission of the People's Republic of China to the United Nations Office at Geneva and Other International Organizations in Switzerland avails itself of this opportunity to renew to the Office of the High Commissioner for Human Rights the assurances of its highest consideration.
