Dear [REDACTED]

RE: NATURE CAPITAL PROJECT PROPOSAL TO THE SABAH GOVT (SG).

Thank you for the very informative briefing on the above which was held on the 12th of July 2022.

As President of the KDCA, I fully support the above as long as it genuinely benefits the economy of Sabah and at the same time help enhance the socio-economic status of the entire indigenous people of Sabah.

In strict compliance with the Sabah Forest Enactment 1968 and all applicable UN Conservation laws and protocols globally, the KDCA is ready to assist in whatever way it can towards the successful implementation of the proposed Nature Capital project for Sabah.

"KOSOMPURUAN DOID KOUBASANAN"

"UNITY IN CULTURE"

Sincerely yours,

[REDACTED]
President
