Nº 342/2024

The Permanent Mission of Brazil to the United Nations Office and other International Organizations in Geneva presents its compliments to the Office of the United Nations High Commissioner for Human Rights and has the honour to refer to the joint communication (AL BRA 2/2024) by the Special Rapporteur on the Right to Food, the Special Rapporteur on the right of everyone to the enjoyment of the highest attainable standard of physical and mental health, and the Special Rapporteur on the human rights to safe drinking water and sanitation.

In this regard, bearing in mind that it has not yet been able to obtain all the elements necessary to prepare its response report, the Brazilian State would be grateful to request an extension of the given deadline by one month.

The Permanent Mission of Brazil in Geneva avails itself of this opportunity to renew to the United Nations High Commissioner for Human Rights the assurances of its highest consideration.

Geneva, July 17th 2024.
