Nº 413/2024

The Permanent Mission of Brazil to the United Nations Office and other International Organizations in Geneva presents its compliments to the Office of the United Nations High Commissioner for Human Rights and has the honour to refer to the joint communication (AL BRA 3/2024) by the Working Group on the issue of human rights in transnational corporations and other business enterprises; the Special Rapporteur on the human rights to a clean, healthy and sustainable environment; the Special Rapporteur on extrajudicial summary or arbitrary executions; the Special Rapporteur on the promotion and protection of the rights to freedom of opinion and expression; the Special Rapporteur on the situation of human rights defenders; the Special Rapporteur on the rights of indigenous peoples; and the Special Rapporteur on the implications for human rights of the environmentally sound management and disposal of hazardous substances and wastes.

In response, the Mission would like to inform that the state is still working to provide updated information in order to answer adequately to the questionnaire sent by the OHCHR. In view of the above, and on an exceptional basis, the Brazilian State reaffirms to the OHCHR its commitment to forward the information requested as soon as it is received.

The Permanent Mission of Brazil in Geneva avails itself of this opportunity to renew to the United Nations High Commissioner for Human Rights the assurances of its highest consideration.

Geneva, September 10th 2024.
