Excellencies,

Referring to your joint communication of 18 November 2025 (REF: AL HUN 2/2025) concerning the information you have received concerning criminal investigations against the organizer of Pécs Pride, Géza Buzás-Hábel, let me convey to you the response of the Hungarian Government.

The Hungarian Government's position is clear: as adults, everyone is free to do as they wish, as long as they abide by the law.

However, LGBTQ propagandists should leave our children alone. We want to protect our children from gender madness. The laws were created accordingly.

We recall that everyone must obey the law.

Availing myself of this opportunity, I wish You good health and success in carrying out your highly responsible duties.

Yours sincerely,
