Dear Mr. Zarif,

We have the honour to address you in our capacities as Vice-Chair of the Working Group on Arbitrary Detention; Chair-Rapporteur of the Working Group on Enforced or Involuntary Disappearances; Special Rapporteur on the promotion and protection of human rights and fundamental freedoms while countering terrorism; and Special Rapporteur on torture and other cruel, inhuman or degrading treatment or punishment pursuant to General Assembly resolution 60/251 and to Human Rights Council resolutions 15/18, 16/16, 15/15, and 16/23.

On 2 June 2010, at the fourteenth session of the Human Rights Council, our mandates presented the joint study on global practices in relation to secret detention in the context of countering terrorism (A/HRC/13/42). At that time, the importance of follow-up was highlighted, in particular through the launch of independent enquiries into allegations contained in the study.

The joint study was part of a consultative process with States and we wish to thank all States that have facilitated our joint work. In the same spirit of cooperation, we would like to continue engaging with States in ensuring appropriate follow-up to the joint study. In this context, we would like to invite Governments mentioned in the study to provide us with information on measures taken to investigate the allegations contained in the joint study and if found true, to rectify the situation in compliance with international human rights norms and standards; to implement the related recommendations; and to provide any other relevant information.

The information provided by Governments will be included in the next joint communications report presented by Special Procedures and be considered by our mandates at the nineteenth session of the Human Rights Council.

We would appreciate it if you could bring this letter to the attention of the relevant Kosovo authorities. In this letter and the study, all references to “Kosovo”, whether to the territory, institutions or population, should be understood in full compliance with Security Council resolution 1244 (1999) and without prejudice to the status of Kosovo.

We thank you in advance for your assistance. It would be most appreciated if any reply could reach the Office of the High Commissioner for Human Rights by 30 November 2011.

Please accept, Mr. Zarif, the assurances of our highest consideration.
