China is following the heavy-metal pollution incident affecting tributaries of the Mekong River within Thailand and has taken note of the test reports recently released by Thailand and Myanmar. It supports Thailand and Myanmar in strengthening communication and coordination, conducting a science-based, responsible investigation and resolving the issue through amicable consultations.

China has always required Chinese enterprises abroad to abide by the laws of their host countries and to operate lawfully and in compliance with regulations. It stands ready to work closely with all countries in the Mekong River basin to jointly protect the ecological environment and water quality of the basin.

中方关注泰国境内湄公河支流重金属污染事件，注意到泰缅两国近期发布的检测报告，支持泰缅加强沟通协调，开展科学、负责任的调查，友好协商解决问题。

中方一贯要求海外中国企业遵守所在国法律，合法合规经营，愿同湄公河流域各国密切合作，共同保护好流域生态环境和水质。
